

White House Initiative ON ASIAN AMERICANS AND PACIFIC ISLANDERS

GET TO KNOW THE INITIATIVE

Counties with the highest AAPI population

Among people reporting only one race, 2000 and 2010 census

- American Samoa
- Commonwealth of the Northern Mariana Islands
- Federated States of Micronesia
- Guam
- Republic of Palau
- Republic of Marshall Islands

Where you are, we are.

Interagency Working Group

Senior officials from 24 federal agencies and offices tasked with creating and implementing agency plans to increase access to federal programs in which AAPIs may be underserved

Regional Network

200+ officials from regional offices in all ten regions and 30 federal agencies connecting local communities to federal resources

President's Advisory Commission on AAPIs

Appointed business, community, nonprofit, and philanthropic leaders who serve as the eyes and ears of the community for the Administration

E3! Ambassadors

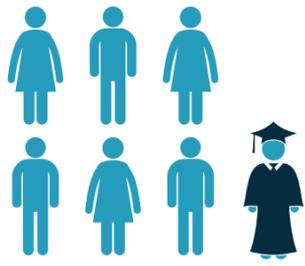

Young leaders working to educate, engage, and empower their campuses and communities on key issues

The Initiative Staff

Coordinating efforts on data disaggregation, language access, workforce diversity, and capacity building
