## **Fifth Annual President's Interfaith and Community Service Campus Challenge White House Convening**

This year's Interfaith and Community Service Campus Challenge White House Convening offers an opportunity for presidents and chancellors of American institutions of higher education to meet with peers. This year, we are inviting guests from other countries to join us for this convening to explore more models of interfaith service and engagement. This convening is part of the Fifth Annual President's Interfaith and Community Service Campus Challenge Gathering that begins on the afternoon of September 10, 2015, on the campus of Howard University. The Gathering at Howard University runs through Friday afternoon on September 11, 2015. Due to limited space, the White House Convening is only for presidents/chancellors of American institutions of higher education and foreign guests. Presidents cannot send a surrogate.
