NACIQI received a letter from U.S. Senators Warren, Brown, Murray, Durbin, and Blumenthal, regarding their concerns of for-profit institutions converting to, or attempting to convert to, non-profit entities in order to avoid regulatory scrutiny. This letter is available at: <https://sites.ed.gov/naciqi/files/2018/03/2018.01.11-Letter-to-NACIQI-re-sectorial-conversions.pdf>. Subcommittee on Data

The subcommittee on data will report out on its activities since the last NACIQI meeting.

Meeting Discussion

In addition to following the HEA, the FACA, implementing regulations, and the NACIQI charter, as well as its customary procedural protocols, NACIQI inquiries will include the questions and topics listed in the pilot plan it adopted at its December 2015 meeting. A document entitled "June 2016 Pilot Plan" and available at: <http://sites.ed.gov/naciqi/files/naciqi-dir/2016-spring/pilot-project-march-2016.pdf>,

provides further explanation and context framing NACIQI's work. As noted in this document, NACIQI's reviews of accrediting agencies will include consideration of data and information available on the accreditation data dashboards, <https://sites.ed.gov/naciqi/files/2017/09/Institutional-Performance-by-Accreditor-June-2017-Corrected.pdf>. Accrediting agencies that will be reviewed for renewal of recognition will not be on the consent agenda and are advised to come prepared to answer questions related to the following:

- Decision activities of and data gathered by the agency.
 - NACIQI will inquire about the range of accreditation activities of the agency since its prior review for recognition, including discussion about the various favorable, monitoring, and adverse actions taken. Information about the primary standards cited for the monitoring and adverse actions that have been taken will be sought.
 - NACIQI will also inquire about what data the agency routinely gathers about the activities of the institutions it accredits and about how that data is used in their evaluative processes.
 - Standards and practices with regard to student achievement.
 - How does your agency address "success with respect to student achievement" in the institutions it accredits?
 - Why was this strategy chosen? How is this appropriate in your context?
 - What are the student achievement challenges in the institutions accredited by your agency?
 - What has changed/is likely to change in the standards about student achievement for the institutions accredited by your agency?
 - In what ways have student achievement results been used for monitoring or adverse actions?
 - Agency activities in improving program/institutional quality.
 - How does this agency define "at risk?"
 - What tools does this agency use to evaluate "at risk" status?
 - What tools does this agency have to help "at risk" institutions improve?
 - What can the agency tell us about how well these tools for improvement have worked?

To the extent NACIQI's questions go to improvement of institutions and programs that are not at risk of falling into noncompliance with agency requirements, the responses will be used to inform NACIQI's general policy recommendations to the Department rather than its recommendations

regarding recognition of any individual agency.

The discussions and issues described above are in addition to, rather than substituting for, exploration by Committee members of any topic relevant to recognition.

Submission of Requests To Make an Oral Comment Regarding a Specific Accrediting Agency or State Approval Agency Under Review, or To Make an Oral Comment or Written Statement Regarding Other Issues Within the Scope of NACIQI's Authority

Opportunity to submit a written comment regarding a specific accrediting agency or state approval agency under review was solicited by a previous **Federal Register** notice published on January 24, 2018 (Vol. 83, No. 16). The comment period for submission of such comments closed on February 16, 2018. A second notice was published on February 22, 2018 (Vol. 83, No. 36) extending the written comment period until March 1, 2018 for the Accrediting Council for Independent Colleges and Schools and the American Bar Association, Council of the Section of Legal Education and Admissions to the Bar. Subsequently, a corrected notice was published on February 28, 2018 (Vol. 83, No. 40) clarifying the scope of written comments that could be submitted regarding the Accrediting Council for Independent Colleges and Schools and the American Bar Association, Council of the Section of Legal Education and Admissions to the Bar. Because all deadlines have passed, no further written comments regarding a specific agency or state approval agency under review will be accepted at this time. Members of the public may submit written statements regarding other issues within the scope of NACIQI's authority for consideration by the Committee in the manner described below. No individual in attendance or making oral presentations may distribute written materials at the meeting. Oral comments may not exceed three minutes.

Written statements and oral comments concerning NACIQI's work outside of a specific accrediting agency under review must be limited to the scope of NACIQI's authority as outlined under section 114 of the HEA.

There are two methods the public may use to request to make a third-party oral comment of three minutes or less at the May 22–24, 2018 meeting. To submit a written statement to NACIQI concerning its work outside a specific accrediting agency under review, please follow Method One.

Method One: Submit a written request by email to the ThirdPartyComments@ed.gov mailbox. Please do not send material directly to NACIQI members. Written statements to NACIQI concerning its work outside a specific accrediting agency under review, and requests to make oral comments, must be received by May 9, 2018, and include the subject line "Oral Comment Request: (agency name)," "Oral Comment Request: (subject)" or "Written Statement: (subject)." The email must include the name(s), title, organization/affiliation, mailing address, email address, telephone number, of the person(s) submitting a written statement or requesting to speak, and a brief summary (not to exceed one page) of the principal points to be made during the oral presentation. All individuals submitting an advance request in accordance with this notice will be afforded an opportunity to speak.

Method Two: Register at the meeting location on May 22, 2018, from 7:30 a.m.–8:30 a.m., to make an oral comment during NACIQI's deliberations. The requestor must provide the subject or agency name on which he or she wishes to comment, in addition to his or her name, title, organization/affiliation, mailing address, email address, and telephone number. A total of up to fifteen minutes for each agenda item will be allotted for oral commenters who register on May 22, 2018 by 8:30 a.m. Individuals will be selected on a first-come, first-served basis. If selected, each commenter's remarks may not exceed three minutes.

Access to Records of the Meeting: The Department will post the official report of the meeting on the NACIQI website within 90 days after the meeting. Pursuant to the FACA, the public may also inspect the materials at 400 Maryland Avenue SW, Washington, DC, by emailing aslrecordsmanager@ed.gov or by calling (202) 453-7615 to schedule an appointment.

Reasonable Accommodations: The meeting site is accessible to individuals with disabilities.
