

### American Veterinary Medical Association, Council on Education (AVMA): Discretionary Debt-to-Earnings Ratio

Whiskers represent 10th and 90th percentiles. Outliers are excluded.

Programs of study are identified by a 6-digit CIP code. However, these data are presented at the 4-digit CIP code level. The 4-digit CIP codes selected may contain some 6-digit CIP programs that do not correspond to the particular set of programs accredited by this accreditor. The data generating process cannot eliminate those programs, so statistics presented may be based on a mixture of programs that are and are not accredited by this accreditor.

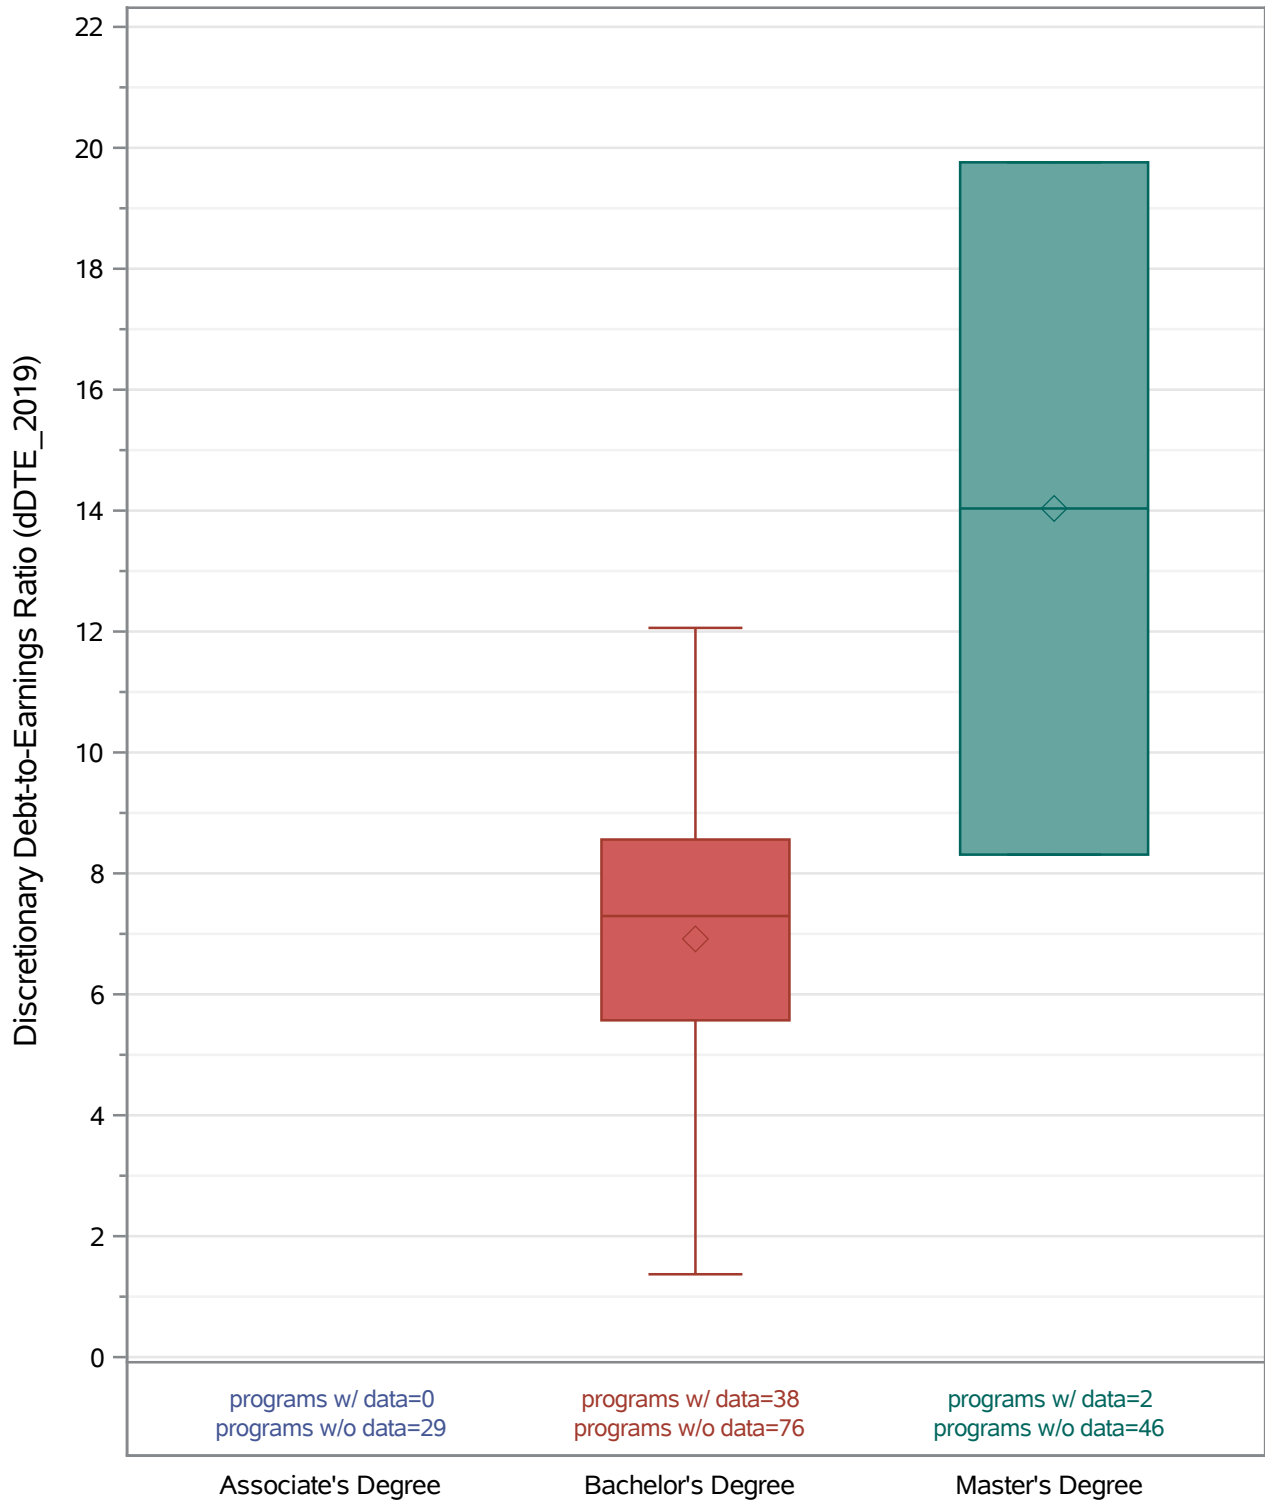

### Council on Education for Public Health (CEPH): Discretionary Debt-to-Earnings Ratio

Whiskers represent 10th and 90th percentiles. Outliers are excluded.
