SAIC – Oakwood University

Michael Townsend
Sr. Director, Small Business Development and Utilization Office

SAIC - Overview

- **SAIC® is a premier technology integrator providing full life cycle services and solutions in the technical, engineering, intelligence, and enterprise information technology markets.**
- **SAIC provides IT Modernization services enabling government agencies to more effectively deliver on their missions.**
- **SAIC provides systems engineering and integration offerings for large, complex projects.**
- **Headquartered in Reston, Virginia, SAIC has approximately 15,000 employees and annual revenues of about \$4.5 billion.**

SAIC - Overview

SAIC - Overview

Our business can be categorized into three areas that describe what we do and the markets we serve.

Engineering, Integration, & Mission Solutions

- Analytics & simulation
- Engineering & integration
- Program support
- Training

Information Technology Solutions

- Cloud & digital infrastructure
- Customer & end user
- Cyber
- Software

Platform Integration, Logistics, Readiness, & Sustainment

- Weapons systems
- Ground combat & tactical vehicles
- Supply chain management
- System sustainment

SAIC and Oakwood University

- **Oakwood University was NASA's FIRST Historically Black College and University(HBCU) to be accepted into NASA's Mentor-Protégé Program with SAIC as its' Mentor**
- **Over the three year period, numerous faculty and staff took advantage of the SAIC University on-line courses.**
- **Community Involvement and Support**
- **Oakwood University Office of Sponsored Programs Department received certificates in the Federal Contract Training workshops plus training in Service Contract Act, and RFP Analysis and Proposal development, and Six-Sigma Training.**
- **In 2011, through the Mentor-Protégé relationship, Oakwood University received the distinguished ISO9001-2000 Certification.**
- **One of the greatest benefits have been the opportunity for our students to receive internships. Through this program more than 100 Students worked with SAIC**
- **Full employment opportunities have been offered to students.**

SAIC and Oakwood University

What Made Our Agreement Successful?

- **Development of a new Partner supporting our NASA Customer**
- **Ability to bring in new talent from a local University**
- **Addition of a newly educated workforce capable of bringing in innovation and creativity to SAIC and our customers**
- **Created a new business partner capable of becoming a prime contractor and subcontractor on other programs.**
- **The addition of Oakwood University to SAIC's UNITeS Team allowed for the expansion of work into other NASA programs including NICS, EAST, Safety Assurance.**

SAIC and Oakwood University

Lessons Learned

- **Make the process of the Mentor-Protégé Program a priority within both organizations**
- **Take advantage of the opportunities the Mentor offers the HBCU**
- **Always Remember...An HBCU is NOT a normal small business!**
- **A HBCU is a Educational Institution first, a business second!**
- **A cultural change within the University must take place for success.**
- **Change must begin, and be led with, the heads of the College/University.**
- **Grants and Federal Contacts are NOT the same.**
- **Successful Contracts will occur only if a designated contract office in the University is in place with personnel that have specialized training.**
- **“Sponsored Programs Office” can be the right office.**
- **Plan for new business opportunities together**
- **Business Functional Support is needed as part of the cultural change – All Business Offices!**
- **COMMUNICATION - Meet often with Faculty and Leadership.**

Working With Large Primes

- **Do Your Homework:**
 - Know the Corporation you are targeting
 - Know their customers – Does your Institute fit?
 - Discuss how your university does Federal Contracting
 - (Grants, Prime or Subcontracting, Mentor-Protégé Agreement teaming)
 - Be registered with D&B – SAM and keep up-to-date
 - Be prepared with overview handout material
 - Be time sensitive
- **Your Capabilities Should:**
 - Present the **VALUE** your Institute will bring to the Prime
 - Bring something to the table (innovative and creative)
 - Have a clear direction with Technical and/or Administrative examples
 - Clear statement of experience and past performance
 - Share your capabilities frequently - Market – Increase your company's visibility

PVAMU-AT- A- GLANCE

Prairie View A&M University, the second oldest public institution of higher education in Texas, originated in the Texas Constitution of 1876. In 1945, the name of the institution was changed from Prairie View Normal and Industrial College to Prairie View University. On August 27, 1973, the name of the institution was changed to Prairie View A&M University, and its status as an independent unit of the Texas A&M University System was confirmed.

https://www.pvamu.edu/about_pvamu/college-history/

OUR MISSION

Prairie View A&M University is a state-assisted, public, comprehensive land grant institution of higher education. The university was designated in a 1984 amendment to the Texas Constitution as an “institution of the first class.” It is dedicated to achieving excellence and relevance in teaching, research and service. <https://www.pvamu.edu/>

OFFICE of RESEARCH INNOVATION and Sponsored Programs- ORISP

ORISP fosters and promotes the research enterprise and scholarly activity at PVAMU by ensuring that faculty, staff and students receive the succor and support necessary to engage in a wide range of research activities. The Office of Research, Innovation and Sponsored Programs offers essential and strategic expertise to support all aspects of sponsored activities, including research compliance, proposal development and pre-award services, interdisciplinary and new program development, and guidance on conceptualizing and protection of intellectual property through our innovation, commercialization and entrepreneurship center. We welcome the opportunity to discuss collaborative research and scholarship pursuits that can advance the academic mission of PVAMU.

GSA - Our Mission

The General Services Administration (GSA) was established in 1949 with a purpose of streamlining the administrative work of the federal government.

“The mission of GSA is to deliver the best value in real estate, acquisition, and technology services to government and the American people.”

GSA supports our customers by providing government-wide contract vehicles for the procurement of products and services

Schedules is a \$33 Billion dollar a year program

Doing Business With Government

Contracting with federal agencies widens Historically Black Colleges and Universities/Minority Institutions (HBCUs/MIs) exposure to business opportunities and offers a potential source of increased revenue

- In FY17, 23 HBCU/MIs contracted with various federal agencies generating well over \$3 Million*
- Primary areas of support services fall under
 - Research and Development
 - Medical Services
 - Administrative and Management Support
 - Education and Training
 - Data Processing
 - Information Technology

GSA's HBCU/MI Initiative – Phase I

1. Increase HBCUs/MIs on GSA Schedules

- Access to federal, state, and local government contract opportunities
- Provide HBCUs/MIs with an additional revenue stream
- Target specific HBCU/MI-service areas of opportunity
 - Professional Services, Information Technology

2. Engage and Train

- Assist HBCUs/MIs through the GSA schedules contract application process
- Provide no-cost virtual and onsite training
 - Contracting Process
 - Contract Modification Process

GSA's HBCU/MI Initiative – Phase I

- Reporting
- How to market to federal agencies
- Conduct Regional HBCU/MI Industry Days
 - Discuss business opportunity forecasts
 - Gather intelligence on remaining barriers to accessing federal contract opportunities
- 3. Assist other Federal agencies with meeting their HBCU goals
 - WHIHBCU Inter-agency meeting
- 4. Advance and support the goals of the White House Initiative on HBCUs

Our Path Forward

- In June, GSA held a two-day Schedules Training event for five pilot HBCUs, providing training on the schedules contract submission process for professional services and IT
 - Alabama A&M
 - Bowie State
 - Clark Atlanta
 - Jackson State Univ
 - Southern Univ – Baton Rouge
- GSA will continue working with these HBCUs throughout the schedules contractor process and encourages other HBCUs to contact us if there is interest in increasing your access to federal contracting opportunities
- GSA's WHIHBCU agency plan is under development and will outline additional areas of HBCU support such as recruitment and developmental programs
