Human Capital Cluster Value Statement: We are committed to working together and combining resources to advance and maximize programs an initiative around the area of human capital, student engagement, technical assistance and HBCU student recruitment.

Background

On May 9, 2018, the WHI-HBCU Team with support of the VA Acquisition Academy's Enterprise Shared Services staff and Coley & Associates facilitated an interest mapping exercise for the White House Initiative on Historically Black Colleges and Universities. This engagement was performed to form Interagency Competitiveness Clusters

HBCU Students at U.S. Capitol

The Interagency Competitiveness Clusters (ICC) are flexible, adaptable, interconnected and broadly applicable. By aligning Federal system assets and creating shared strategies and tactics, agencies can develop and implement programs and strategic initiatives to improve the competitiveness of HBCUs and the people and communities they principally serve.

Goals of the Human Capital Clusters

1. Create efficiencies within the Federal system to implement [Executive Order 14041](#);
2. Provide high-leverage, collaborative leadership to advance HBCU competitiveness; and
3. Exponentially increase Federal agency contributions to HBCUs and the people and communities they principally serve.
