

## Office of Air and Radiation

### 2024 Summer Pathways Intern Program

*"Because no matter who we are or where we come from, we're all entitled to the basic human rights of clean air to breathe, clean water to drink, and healthy land to call home."*  
*Martin Luther King Jr.*

EPA's Office of Air and Radiation develops national programs, policies, and regulations for controlling air pollution and radiation exposure.

We are seeking student interns in Ann Arbor, Michigan and Washington, DC.  
Postings are open **Tuesday, March 5th, 2024**, and close at **11:59PM on Monday, March 11th, 2024**, or once **75** applications have been received for each individual announcement.

**To apply**, visit [www.usajobs.gov](https://www.usajobs.gov) and search using the vacancy announcement numbers below:

Position Title	Series	Grade	Announcement Number
Student Trainee (Science / Engineering)	0499/0899/1399	04/07	EPA-LA-OII-2024-0010
Student Trainee (Environmental Protection)	0099	04/07	EPA-LA-OII-2024-0006
Student Trainee (Information Technology)	2299	04/07	EPA-LA-OII-2024-0009
Student Trainee (Administration)	0399	04/07	EPA-LA-OII-2024-0007

#### Who May Apply:

Enrolled students or individuals who have been accepted for enrollment seeking a diploma, certificate, bachelor's degree, graduate degree, or professional degree from a qualifying educational institution on a full- or half-time basis, including awardees of the Harry S. Truman Foundation Scholarship Program.

#### Qualification Requirements:

Pathways Interns qualify for an initial appointment based on their educational achievements.

Grade	Educational level requirement
GS-4	Completion of 2 full academic years of post-high school study or an associate's degree.
GS-7	Completion of 1 full academic year of graduate level education; or Eligibility under the Superior Academic Achievement Provision and completion of a bachelor's degree.

You must be enrolled at least half-time and maintain at least a half-time course load as defined by your academic institution (typically 6 undergraduate credit hours or 4.5 graduate credit hours per semester).

You must have and maintain good academic standing as defined by your academic institution (typically a cumulative GPA of at least 2.0).

*If you have any questions regarding internship opportunities within OAR, please reach out to Krystal Henck at [henck.krystal@epa.gov](mailto:henck.krystal@epa.gov) or Iloria White at [white.ilorio@epa.gov](mailto:white.ilorio@epa.gov).*
